

Sprint 6 Planning Document

Emmi Korhonen & Farnaz Jamilpanah

PawTracker – Dog Sport Tracker App

Sprint Goal

As a user, I want the application to be polished and the UI to be intuitive, so that I can reliably track my dog walks.

Timetable

Sprint 6	29.4-6.5	Ui Improvements, Documentation	Ui improvements, GitHub README, Final Presentation
----------	----------	-----------------------------------	---
